To all REA Employees:

I have just renewed my membership in the REA Athletic Association for another year. Looking back over my first year as a member, I think of all the fun we had at the many affairs that membership in the REAAA makes possible the picnic, the dances, the Birthday Ball. And Span certainly goes a long way toward keeping us up-to-date on all the really important news that the daily papers seem to miss.

We've got a great employee organization, and I'd like to see every REA'er become a member.

GAME - TIME --- 11 A. M. PROMPTLY

There's room for every REA'er to have a good time during this game.

ARRANGE NOW TO BE THERE.

ALL READY FOR THE BIG FULL

Wade Edmunds, Captain of the Northern Region and "Bill" Callaway, Captain of the Southern Region TUG OF WAR TEAMS just ain't speakin' these days. - Seems Wade wanted to make public the names of his team - Bill says "HECK NO I ain't puttin' that out till pullin' time". The real truth is that when Bill heard Wade was startin' a trainin' table fer his Gang he (Bill that is) went to the other Bill (Templeman that is) and arranged to train his team by moving Wells Ludlow's Loan Contract Files all over the South Building. Those boys are sure a feudin' and anything can happen.

Rumor has it that at least one of the REA Conductor Suppliers is considering trying out his product by furnishing the "Rope" for the boys to yank away on.

Sides are forming and Bill says he's going to have the best dern cheering section down there, but Wade says he is arranging to have a whole gang of bathing beauties headed by Delores Hood over on his side and that those Southerner's won't be able to resist. Y'know this dern thing could turn into two contests for when cheerin' vs beauty gets goin' full swing maybe it could wipe out both those He MALE specimens of BRAWN - BEAUTY and BRAINS.

It all adds up to makin' sure that the TUG OF WAR will be one of the stellar attractions come July 24th at TRITON BEACH.

WATCH FOR SPECIAL FLIERS ON EVENTS AND DIRECTIONS. LET'S ALL BE OUT THERE.
